

Upcoming CAREA Events

Post in a conspicuous place

RSVP as soon as event is available for registration

September 21st 5:30-8:30 p.m.

General Meeting and Dinner

We have our own Regression Analysis tool developed by Larry Schneller free for the use of CAREA members. Come see how it works and how it will make life a bit easier.

Venue has changed for this meeting (Embassy Suites is not available that night)

Colorado Springs Marriott

5580 Tech Center Drive

Colorado Springs, CO 80919

Free to members

NCAREA members \$20 (includes CE)

Guests \$25 (no CE credit)

October 1st 8:00 - 4:00 (Saturday)

Regression Training and Lunch

To follow up on our 2 hour presentation, this training will teach you how to use the program, analyze the results, and streamline your adjustment process. DORA knows that regression analysis is the tool of the future, and will expect appraiser's to actually be competent with this tool. Come learn how to be competent.

Venue Embassy Suites
